Rick – finalize Bag Tag rules and print up.

Thursdays at Ann Mo will be bag tag night. Free, but must have tag.

Courses

The reason why Ann Morrison baskets are moved to other side of park (Americana) is to provide relief to the grass. A lot of effort has been put into re-growth, and so far it has held really well.

- _____ - create new signs for EISP
- Dan – print new signs for EISP on tough paper.
- Rich – come up with new courses in city parks to install one to three baskets. Coordinate with BOD to review and get park approval.
- Rich/Brad – Table Rock proposal. Zoned WRP, which allows some development. What is plan for the land? Rich to get aerial photo and email to Brad.
- Rich – Garden Valley ball golf course. Create basic proposal for free consulting.
- Brad/Jeremiah – leverage proposal from Rich to re-submit for South Fork Landing.
- Brad – what is the plan for Esther Simplot park plan? Has disc golf been considered?
- Brad – coordinate with Bogus management on the move in June.
- Charles – proposal for Murgoitio park.

Communications

- Rick – create newsletter draft for BOD review, then email approved version to member list.
