

## Sponsorship Opportunity

**Gem State Disc Golfers** announce the 2009 series of PDGA disc golf tournaments. We added an exciting new event, the Magic Valley Shootout at dual courses in Twin Falls (College of Southern Idaho and Rock Creek Park). We'll have six tournaments in all, with more FUN and more golfers than ever. Here are the 2009 events with dates and locations:

Idaho PDGA disc golf tournaments can not succeed without YOUR continued support! Sponsor donations are the lifeblood of our tournaments. Pros play for cash only. Amateurs receive player packs for pre-registering, and they get great prize packages made up of YOUR merchandise. There are ace awards, closest-to-the-pin prizes, basket tosses, longest drives, rings of fire, raffles, and give-a-ways. None of this can happen without your sponsorship.

Will you please join us for the 2009 Snake River Series? You can choose which tournaments are appropriate for your demographic. To learn more, please visit the GSDG web site: [www.gemstatediscgolf.org](http://www.gemstatediscgolf.org). We can post your business logo and link right away. Start providing your business year-round advertising to the disc golf world!

To find a level that works for your business, please review the **Sponsorship Packages** (separate document). As usual, we accept merchandise, gift certificates, food, services, etc. However, added cash makes a HUGE difference, and encourages touring pros to travel to Idaho. Note that if you contribute **cash**, your sponsorship value doubles, your exposure is increased and you help GSDG draw more players from all over ... to win YOUR prizes!

Thank you for supporting disc golf!
